Auditors

In terms of Section 139 read with Companies (Audit and Auditors) Rules, 2014 M/s. Anil Pariek & Garg- Chartered Accountants, (FRN: 0676C) had been appointed for a period of 5 years i.e. from the conclusion of 23rd Annual General Meeting ('AGM') till the conclusion of 28th Annual General Meeting of the Company subject to ratification of their appointment by members every year and other compliances, if any as per applicable regulations. However, with the enforcement of Section 40 of the Companies Amendment Act, 2017 w.e.f. 07/05/2018 the provision relating to ratification of appointment of Statutory Auditors in the intervening period as envisaged in Section 139 of the Companies Act, 2013 from Members had been omitted. The Government had also notified the amendment in relevant rules to this effect from the same date. The ratification of appointment of Statutory Auditors by the Members is, therefore, no longer required. The remuneration of Statutory Auditors for each financial year during their tenure would however continue to be fixed by the Members though they may authorise the Board to fix the remuneration every year. Such authorisation can be made for the remaining tenure of Auditor to obviate yearly authorisation. The Board recommends your approval for authorising the Board to fix the remuneration of Statutory Auditors for remaining period of their tenure as set out in relevant item in the Notice for ensuing AGM.

**INDEPENDENT AUDITOR'S REPORT****TO THE MEMBERS OF VLS SECURITIES LIMITED  
REPORT ON THE FINANCIAL STATEMENTS**

We have audited the accompanying financial statements of **VLS SECURITIES LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

**Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements to give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial control system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2018 and its Profits and its Cash Flows for the year ended on that date.

**Report on Other Legal and Regulatory Requirements**

As required by the companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of Sub section (11) of section 143 of the Act, (hereinafter referred to as the "Order"), we give in the Annexure - 'A' a statement on the matters specified in paragraph 3 and 4 of the Order to the extent applicable.

As required by section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company in accordance with provisions of Companies Act, 2013 and Securities Contracts (Regulation) Rules, 1957 in so far as it appears from our examination of those books.

- c) The Balance Sheet, the Statement of Profit and Loss, and Cash Flow Statement dealt with by this report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of written representations received from the directors as on 31 March, 2018, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2018, from being appointed as a director in terms of Section 164(2) of the Act.
- f) The Company as Stock broker has complied with the requirements of the stock exchange so far as they relate to maintenance of accounts and was regular in submitting the required accounting information to the stock exchange.
- g) With respect to the adequacy of the Internal Financial Controls over the Financial Reporting of the company and operating effectiveness of such controls, please refer to our report in Annexure-'B'.
- h) With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us:
  - i. The Company has disclosed the impact of pending litigations as at 31<sup>st</sup> March, 2018 on its financial position in its financial statements.

**Annexure – 'B' to the Auditors' Report**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **VLS SECURITIES LIMITED** ("the Company") as of 31 March 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its

business, including adherence to company's policies, the safe guarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTES FORMING PART OF FINANCIAL STATEMENTS**
**Note 1**
**Corporate Overview**

VLS Securities Ltd., is a subsidiary of VLS Finance Ltd. incorporated in 1994. It is Category-I Merchant Banker registered with Securities and Exchange Board of India. It is registered Stock Broker with National Stock Exchange of India Ltd., in Capital Market and Future & Options Segment. Besides above providing consulting and advisory services are areas of activity of Company.

**Note 2**
**Significant Accounting Policies:**

The accounting policies set out below have been applied consistently to the periods presented in these financial statements.

**2.1 Basis of preparation of financial statements**

The financial statements are prepared and presented under the historical cost convention except otherwise stated, on the accrual basis of accounting and in accordance with the provisions of the Companies Act, 2013 ('the Act'), and the accounting principles generally accepted in India and comply with the Accounting Standards prescribed in the Companies (Accounts) Rules, 2014 issued by the Central Government, in consultation with the National Advisory Committee on Accounting Standards, to the extent applicable.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of the services and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current or non-current classification of assets and liabilities.

**2.2 Use of estimates**

The preparation of financial statements in conformity with Generally Accepted Accounting Principles in India requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements. Management believes that the estimates made in the preparation of the financial statements are prudent and reasonable. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

**2.3 Fixed assets and depreciation/amortization**

The Company follows the WDV method in computing depreciation.

All the fixed assets are stated at cost less accumulated depreciation.

For the purpose of computing depreciation, the company has adopted the revised estimates of the useful life of the tangible assets, in accordance with the Part C of Schedule II of the Companies Act 2013 w.e.f. 01.04.2014. There are no intangibles with the company as at 31.03.2018.

Depreciation on assets not exceeding Rs.5,000/- is provided for at 100%.

**2.4 Investments**

The investments of the Company in trade account or others, quoted or unquoted are long-term investments and valued at cost/book value. The Company has adopted the policy to recognize the permanent decline in the value of investments and provide accordingly. The Company follows "FIFO Method" for calculating the cost of each investment sold by the Company for arriving at the profit/loss.

**2.5 Inventories**

Inventories of shares are valued at cost or net realisable value whichever is lower. Cost includes all charges incurred for bringing the inventories to their present condition and location.

**2.6 Borrowing costs**

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets are treated as direct cost and are considered as part of cost of such assets.

A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. Capitalisation of borrowing costs is suspended in the period during which the active development is delayed beyond reasonable time due to other than temporary interruption. All other borrowing costs are charged to the statement of profit and loss as incurred.

## 2.7 Foreign currency transactions

Transactions in foreign currency are recorded at the exchange rates prevailing on the date of the transaction. Monetary assets and liabilities denominated in foreign currency are translated at the year end exchange rates. Exchange gains/losses are recognized in the profit and loss account. Exchange difference arising on settlement of Capital Liabilities is adjusted with Capital Assets.

Forward exchange contracts outstanding as at the period end on account of firm commitment/highly probable forecast transaction are marked to market and the resultant gain/loss is dealt in the statement of profit and loss.

## 2.8 Employee benefits:

### (a) Short term employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages. The undiscounted amount of short term employee benefits to be paid in exchange for employee services are recognized as an expense as the related service is rendered by employees.

### (b) Post-employment benefits

#### **Defined contribution plans:**

A defined contribution plan is a post-employment benefit plan under which an entity pays specified contributions to a separate entity and has no obligation to pay any further amounts. The company makes specified monthly contributions towards provident fund. The Company's contribution is recognized as an expense in the statement of profit and loss during the period in which employee renders the related service.

#### **Defined benefit plan:**

The Company's gratuity benefit scheme is a defined benefit plan. This is funded with LIC. The Company's net obligation in respect of a defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value, and the fair value of any plan assets is deducted.

The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, are based on the market yields on Government securities as at the balance sheet date.

When the calculation results in a benefit to the Company, the recognized asset is limited to the net total of any unrecognized actuarial losses and past service costs and the present value of any future refunds from the plan or reductions in future contributions to the plan.

Actuarial gains and losses are recognized immediately in the statement of profit and loss.

### (c) Long term employment benefits

The Company's net obligation in respect of long-term employment benefits is the amount of future benefit that employees have earned

in return for their service in the current and prior periods. The obligation is calculated using the projected unit credit method and is discounted to its present value and the fair value of any related assets is deducted. The discount rates used for determining the present value of the obligation under defined benefit plan, are based on the market yields on Government securities as at the balance sheet date.

### (d) Compensated absences

The employees can carry-forward a portion of the unutilized accrued compensated absences and utilize it in future service periods or receive cash compensation on termination of employment. Since the compensated absences do not fall due wholly within twelve months after the end of the period in which the employees render the related service and are also not expected to be utilized wholly within twelve months after the end of such period, the benefit is classified as a long-term employee benefit. The Company records an obligation for such compensated absences in the period in which the employee renders the services that increase this entitlement. The obligation is measured on the basis of the assumption that such benefits are payable to the employees at the end of the accounting year.

## 2.9 Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

## 2.10 Taxation

Income tax expense comprises current income tax and deferred tax charge or credit. Current tax provision is made annually based on the tax liability computed in accordance with the provisions of the Income Tax Act, 1961.

The deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period) and the corresponding deferred tax liabilities or assets are recognized using the tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognized only if there is a virtual certainty of realization of such assets. Deferred tax assets are reviewed at each balance sheet date and written down or written up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realized.

### 2.11 Earnings per share (EPS)

The Basic EPS is computed by dividing the net profit attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the reporting year. Diluted EPS is computed by dividing the net profit attributable to the equity shareholders for the year by the weighted average number of equity and dilutive equity equivalent shares outstanding during the year, except where the results would be anti-dilutive.

### 2.12 Provisions and contingent liabilities

Provisions are recognized when the company has a legal and constructive obligation as a result of a past event, for which it is probable that a cash outflow will be required and a reliable estimate can be made of amount of obligation.

Contingent liabilities are disclosed when the company has a possible obligation or a present obligation and it is probable that a cash outflow will not be required to settle the obligation.

A contingent liability is possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company.

Accounting policies not specifically referred to are consistent with the accepted accounting practices.
